2014 Index to the Little League® Rules

Introduction

This index is intended to provide an easy way to locate the particular Little League® rule(s) or regulation(s) covering a specific situation.

Certain rules are specific to either baseball or softball. In addition, in some situations, the same rule is numbered slightly differently in the baseball rulebook versus the softball rulebook. Finally, there are rules that are specific to the All Star Tournament, as well as relevant comments in *Make The Right Call, The Casebook of Little League.* To help sort through all of this, the following prefixes are used where appropriate:

Prefix	**Meaning**
BB	Baseball
SB	Softball
BL	Big League
MTRC	Make The Right Call
AST	All-Star Tournament

In addition, the following abbreviations are used:

Abbrev	**Meaning**
AR	Approved Ruling
EX	Exception
M/M	Majors and Minors
I/J/S	Intermediate, Juniors and Seniors
I/J/S/B	Intermediate, Juniors, Seniors and Big League
S/B	Seniors and Big League

If you have any suggestions to improve this index, please drop me a line at **LLUmp34@hotmail.com**. Even if you don't have any suggestions, if you find it useful I would appreciate hearing from you, if for no other reason than to find out where it has traveled.

2014 Rule Change Summary

Reg II	Changed residency requirements to allow players to play for a league whose boundaries include the school they attend
Reg IV	Clarification that players must have amateur status in all divisions
Reg VI(b) - BB	Pitchers who cross a "rest" threshold during an at-bat may use the lower threshold the at-bat ends the game
Reg VI(b) - SB	M/M - pitchers are limited to 12 innings a day, and require one calendar day of rest if pitching more than six innings. (Approved at 2014 LL Congress)
Reg VI	The 2014 book omitted the regular season exception that called for pitching and batting records to be wiped out if the first inning of a game was not completed. This was an inadvertent omission, and the exception should still be considered to apply
Reg VII(d)	M/M may play 2 doubleheaders a week. J/S/B may play three games a day. (Approved at 2014 LL Congress)
Reg VIII(d)	5-year-olds may participate in Coach Pitch/Machine Pitch (Approved at 2014 LL Congress)

1.10	An explicit prohibition on bats with cracks or sharp edges was added

2.00 Illegal Pitch	Definition amended to help clarify those infractions that are illegal pitches in Majors and Minors
2.00 Pivot Foot - SB	Definition amended to account for the fact that the pitcher may push off the plate during the pitch
4.07	An individual suspended for a game as a result of an ejection is not permitted to participate in pregame or postgame activities
4.19(a)	An exception to the "illegal equipment must be removed" was added for illegal bats

5.09(c) - SB	Amended to clarify when the ball becomes dead following an illegal pitch
6.05(b)	Reworded to clarify when a batter loses the right to advance on a third strike not caught
6.06(c)	Reworded to clarify and expand on the batter's responsibility to avoid interfering with plays at or around the plate
7.01 - SB	Amended to prohibit a runner from returning to a previous base when the pitcher has the ball in the circle and is not making a play
8.05(e) - BB	Reworded to make clear that a quick pitch is an illegal pitch even without runners on base
