2. The League Scheduler will record and publish the makeup of games due to rain-outs. Managers must notify the scheduler as soon as they schedule a rain-out made up date.

3. All rain-outs will be made up before the end of the Memorial Day weekend. 5. Home team manager will notify visitor manager at least 2 hours before game time (or as early as possible) if they know that early that a field is going to be unplayable, so travel can be minimized.

6. Home Team is responsible for all Home Game umpires even if the Home Game is not played on their "home" field.

7. Regulation V (c) will be followed for use of "pool Players" but the Pool Player must be from the same League as the team using said pool player and the Pool Player must be from the same level of play (levels of play being Intermediate, Junior 90' and Senior) as he is being used as a pool player.

8. If a team shows at a game site for a scheduled game but does not have enough players for the game to start (9 players), the League Administration (District 9 ADA) will consider it a forfeiture. If the game is mutually rescheduled (both managers agree and reschedule the game and notify the League Scheduler of the reschedule) at least 24 hours before the scheduled game time, then it will not be considered a forfeiture.

9. The schedule will be built to allow a first half and a second half so that teams can be added to the schedule if they are available after the local High School season. Any League having such teams must notify the League Administration (District ADA) by May 11th and they will be entered into the schedule by May 15th.
